Voncia Molock is the Director of Service One IT Support organization for Perdue Farms, Inc. In this capacity, she is responsible for providing 24x7x365 IT support for the enterprise.

She is an award-winning leader with experience in implementing technical solutions that exceed expectations and significantly improve the customer experience. Her areas of expertise include: IT Service Management, Telecommunications, Software Verification and Technical Program/Project Management. Prior to joining Perdue Farms, Voncia held various positions within AT&T Bell Labs/AT&T Network Systems/Lucent Technology.

In her Dorchester County community, Voncia serves as a Board member for The Patricia Hopkins Scholarship Fund as well as WHCP 101.5 Community Radio. She is passionate about serving students and has written a student guide as well as created and presented The Student Success Conference with the support of the Perdue Foundation, Dorchester County Chamber of Commerce and the Cambridge branch of Chesapeake College. Voncia is married to a 7th generation farmer and they have 4 wonderful children ranging in age from 17 to 32.

Voncia holds a bachelor's degree in electronics engineering technology from DeVry Institute of Technology (Columbus, OH) and a master's degree in management from Purdue University (Krannert School of Management, West Lafayette, IN).
